# ACTIVITIES

# SHUFFLE IV

**A**nother year, another Shuffle and they just keep getting better! For the 4th Annual Shuffle, organizers returned to tradition, so Shufflers made their way along the 6.5 km route to Loyola from the Hall Building.

Sonia Benezra, a Concordia graduate and popular television personality, led the pack of 400 strong in their efforts to raise money for in-house scholarships and bursaries.

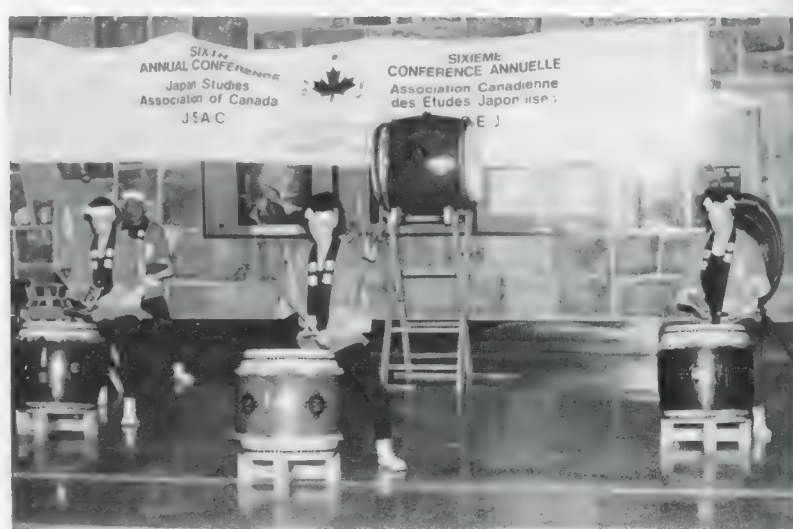

Although participation was up from last year, the approximately \$30,000 raised was barely greater than the 1992 amount. A positive point? The highest participation rate of students yet.

# Welcome to Concordia University's **ANNUAL BRIDGE BUILDING COMPETITION**

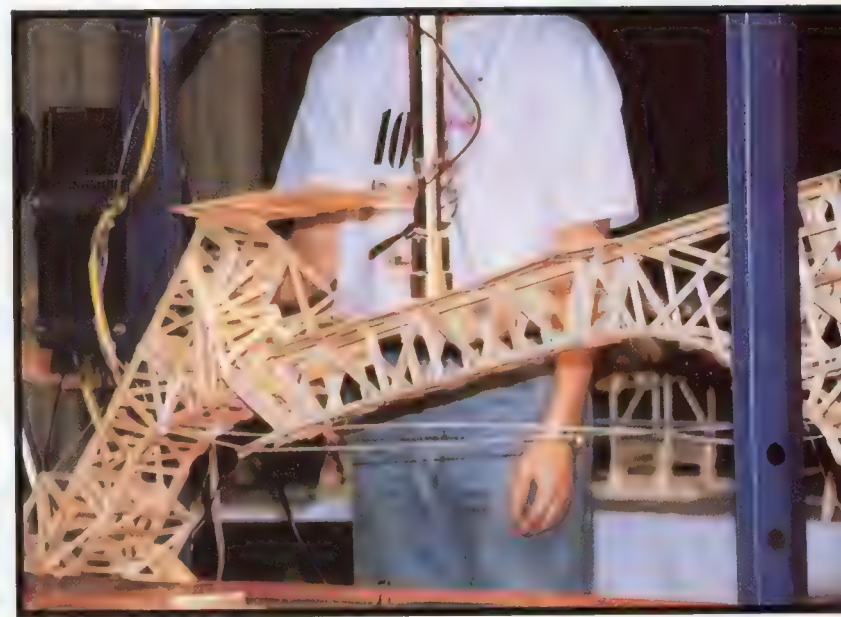

For the 10th year in a row, teams of bridge building hopefuls converged on Concordia for the Annual Bridge Building Competition. Their goal? To create a bridge made of popsicle sticks, toothpicks, dental floss, and white glue strong enough to withstand the immense force of The Crusher. Over 30 teams participated this year, each of them spending possibly over 400 person hours on building a bridge that

would ultimately be destroyed.

The first prize went to Lakehead University for creating a bridge able to withstand the highest "adjusted load". This latter is determined by dividing the applied load (ie. The Crusher pressure) by the square of the weight of the bridge. That is why the winner is not necessarily the bridge capable of withstanding the greatest pressure.

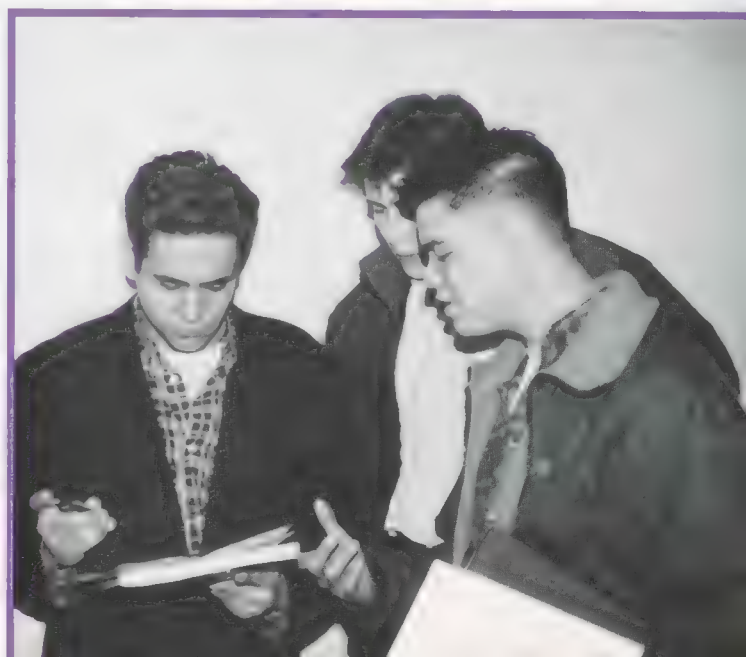

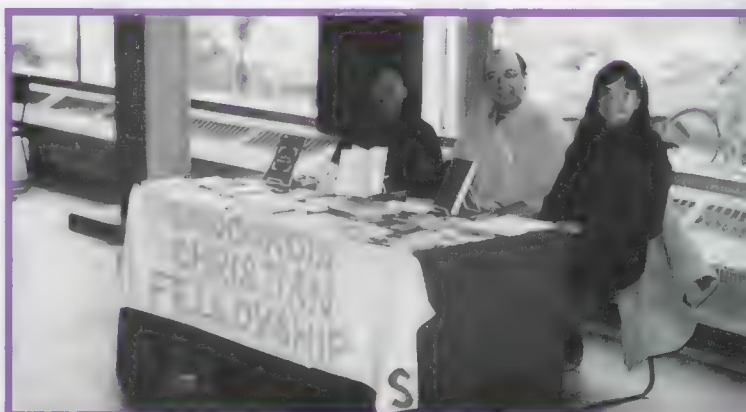

The first few days of school are a great time of year for both new and returning students.

This year, dozens of people volunteered to be a part of the Student Orientation staff so that they could help make new students feel like a part of the Concordia community.

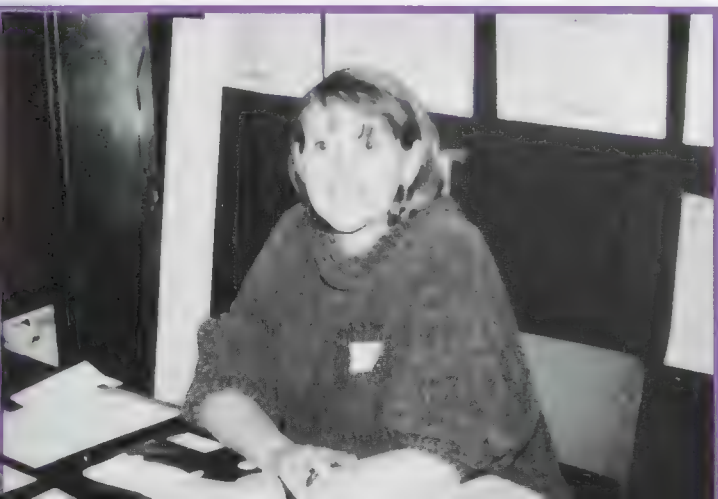

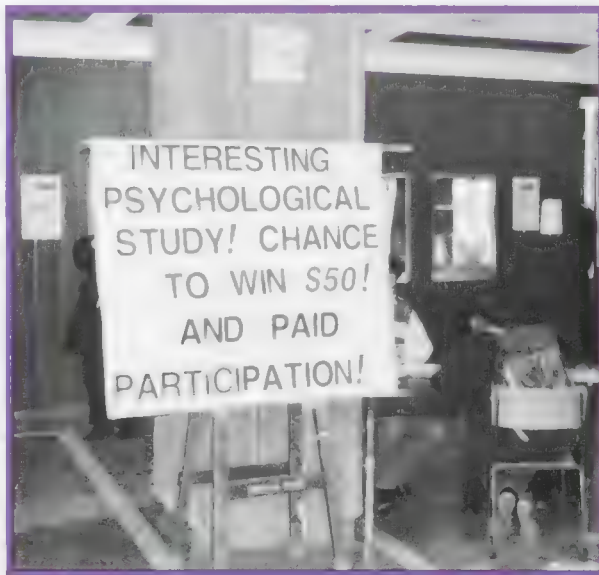

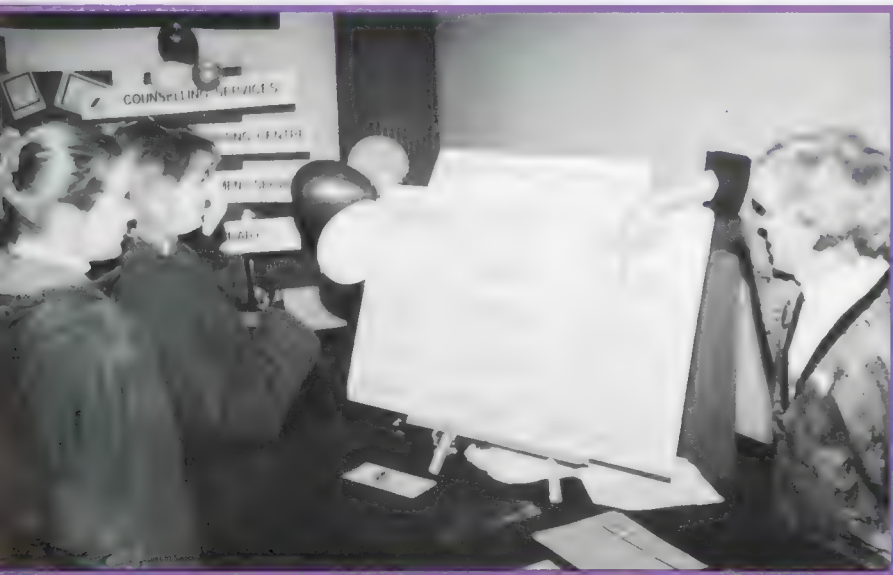

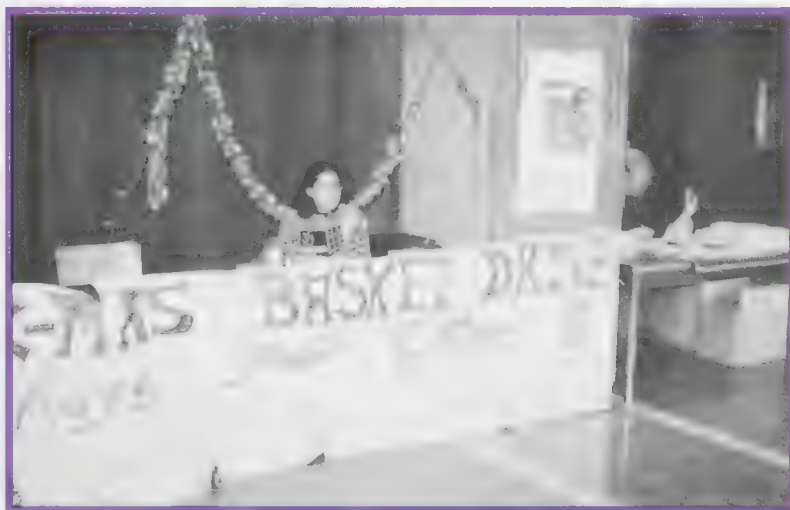

As Orientation Co-ordinator, I would like to say thank you to all of the volunteers. They are the kind of people who leave things better than they found them, and it was their spirit and dedication that made the event such a great success.

# BASKETBALL

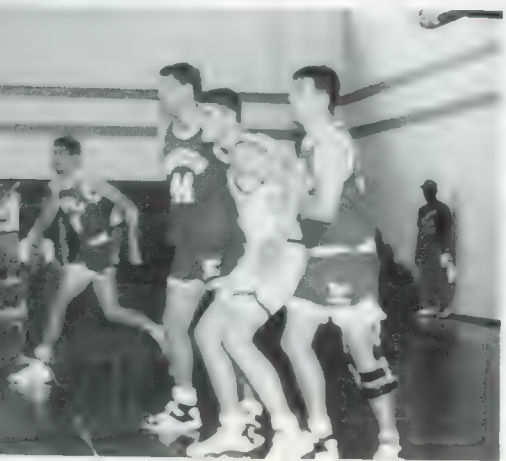

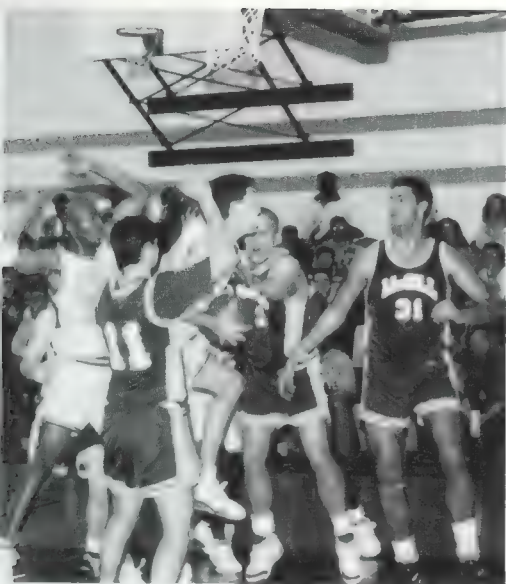

Our women's basketball team turned the corner this season, with head coach Mike Hickey turning a once moribund program into a national contender.

The Stingers finished third in their league this season with a 7-5 record, but then caught fire. They downed the Université Laval in the OSSF semi-final before beating the nationally-ranked McGill Martlets 55-45 in the final for their first league title and trip to the CIAU Nationals in nine years. At the CIAU Nationals in Calgary, the team battled the eventual champs, the Winnipeg Wesmen hard for most of the game before losing. Undaunted, the Stingers went on to win the consolation final with a 58-50 victory over the UNB Red Bloomers.

Fourth-year guard Sharon Sandy and second-year forward Patricia Demers were named as OSSF First Team all-stars while Eva Samoré, a first-year forward, was the conference's Rookie of the Year. Coach Hickey was named the OSSF Coach of the Year for his great job.

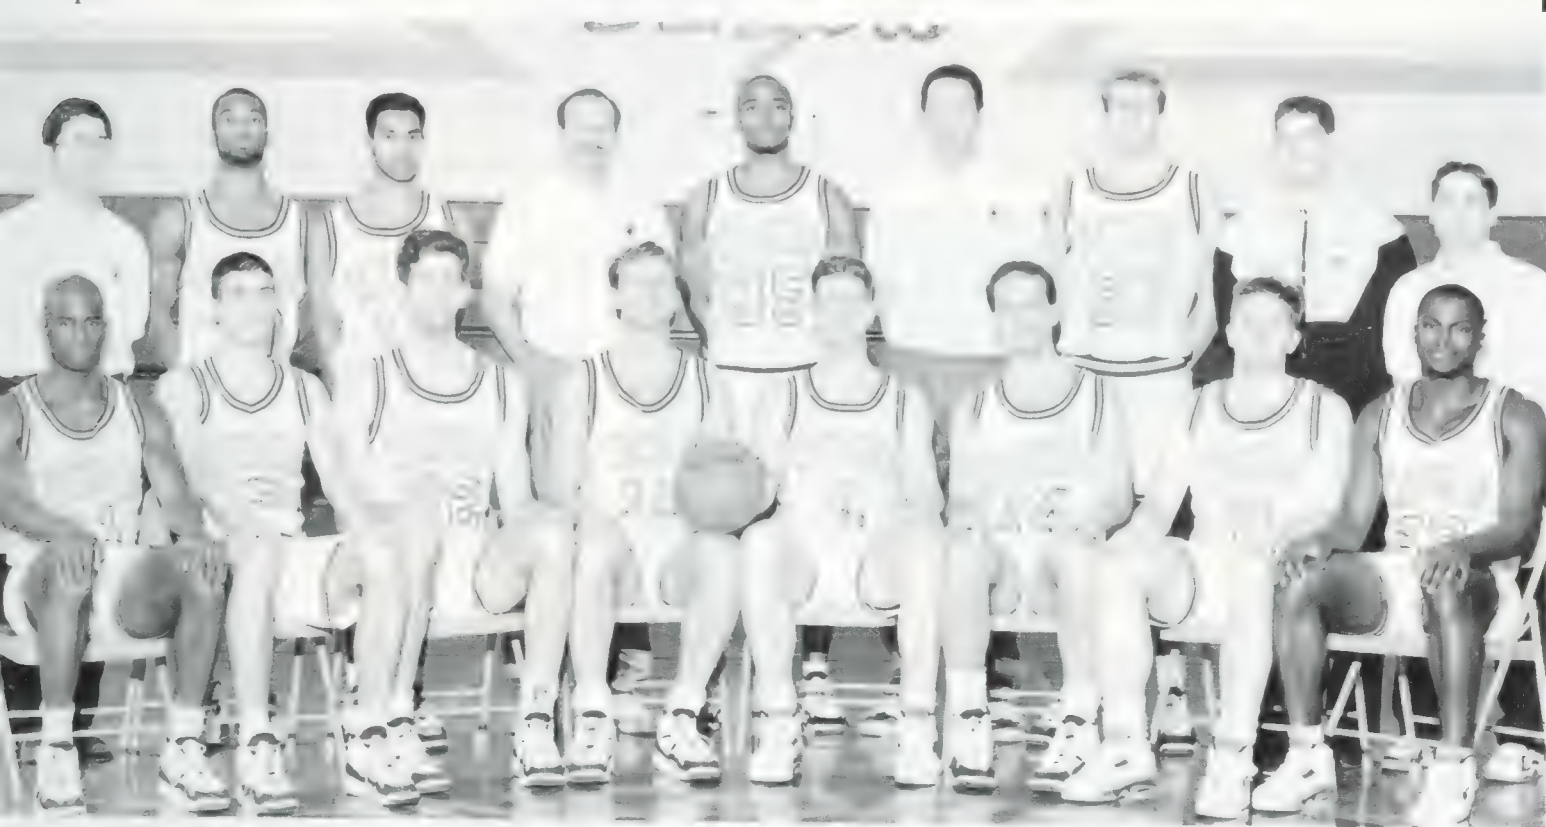

Winning has become the key distinction of Concordia's men's basketball team. For four straight years under head coach John Dore, the team had won it's conference title and gone on to the CIAU Nationals. This season was no exception.

The Stingers cruised through their second straight undefeated regular season before beating the McGill Redmen in the league final for their sixth consecutive title. The Stingers, one of the youngest teams in the CIAU Nationals this season, had a tough time, finishing sixth. However, the team proved that with their youth, they will be a force to reckon with for years to come.

Standing: Saro Koresteciyan (student therapist), Steven Thomas, Benoy Jacob, John Dore (head coach), Robert Ferguson, Harvey Liberman (assistant coach), Dan Furlong, David Rosenberg (manager), Doug Glazer (student therapist)  
Sitting: Emerson Thomas, Maxime Bouchard, Fred Arseneault, Eric Corej, J.P. Reimer, Chris Lovegrove, Scott Mashinney, Gaetan Prosper

Team list: Rhonda Baptiste, Shannon Baynham, Stephanie Bonin, Sarah Brown, Erica Cadieux, Isabel Delage, Kirsten Gallagher, Catherine Gregory, Sharon Grosso, Isabelle Marquis, Elanore McCormick, Astrid Mel, Alisha Reilly-Roe, Edith Roberts, Melanie St. Jules, Sandra Tuppert, Tracy Vaillancourt, Patricia Yates, Shaza Zikra

Concordia's women's soccer team had another strong showing under second year head coach Annie Caron, a former three-time All-Canadian with the Stingers. Concordia went 5-3 in the regular season to finish in third place before bowing out to the McGill Martlets by the score of 3-0 in the league semi-finals.

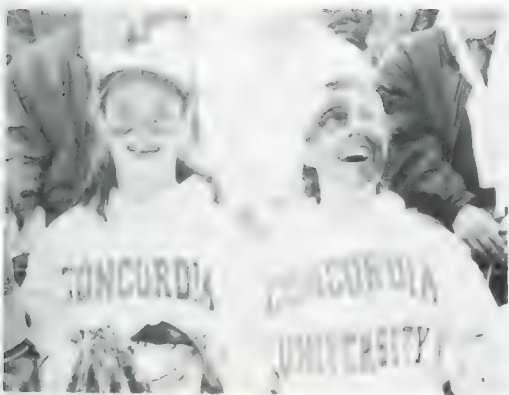

Isabella Marquis, a mid-fielder with this year's

squad was named as a QSSF First Team all-star this season. Sandra Tuppert, a second-year forward with Concordia, had an outstanding season. She led the league in goals (nine in eight games), and for her efforts was named a QSSF First Team all-star, the league's Most Valuable Player, and a CIAU First Team All-Canadian.

# SOCCKER

The men's soccer team almost duplicated their upset of last season when they shocked the Université de Sherbrooke and the McGill Redmen to advance to the Canadian Interuniversity Athletic Union (CIAU) National Championships.

After yet another up and down season that saw the Stingers finish fourth in their league with a record of 5-3-2, the Stingers knocked off undefeated McGill in both games of the league home-and-home semi-finals before bowing out to eventual National champs, Sherbrooke, in the QSSF finals.

Five members of that team were named to either the QSSF's First or Second all-star teams. Chris Rose and Glen Cambell were both named to the First Team while Mario Lombardi — the hero in the McGill upset — Robbie Gasparini, and goalkeeper Pat Schmidt, who gave up the second fewest goals in the league, made the Second Team.

Team list: Jason Armorer, Mark Bandrank, Russel Burrows, Glen Campbell, Pablo Castro, Tony D'Addario, George D'Assios, Duane Douglas, Claudio Durante, Marco Gasparini, Pat Laviolette, Mario Lombardi, Thomas Madgeti, Vincenzo Modesto, Karl Palmen, Liborio Piazza, Chris Rose, Valente Rui, Patrick Schmidt

2nd row, left to right: Thomas Ingerman, Christine Regimbal, Robin Goudreault, Chrystel Monod, Jennifer Nelson, Ivanka Cankovic, Danna Burgess, Genevieve Norin, Anick Thinel

3rd row, left to right: Micheline Green, Tara Neal, Shannon McDonagh, Jennifer Purves, Tanya Haunstetter, Lori Ann Beaudoin

Concordia's women's rugby team once again proved they are the dominant force in the Quebec University Rugby League, going undefeated in the regular season and winning their second straight QURL league title with a 12-5 victory over the McGill Martlets. Over its three years of existence as a varsity team, the Stingers have a 30-1-1 record with their only loss coming in the conference final in 1991. Dominance might not even be strong enough a word to describe the team. They were only scored

upon in two games this season and won the 37th Annual Gotham Rugby Tournament in six games by a combined score of 166-7

Concordia was also well represented on the QURL all-star team with seven players being chosen. Natascha Wesch, Laura Morrison, Sheila Turner, Lara Falquero, Cristal Monad, Ivanka Cankovic, and Jenn Purves were the Stingers that were honoured.

# RUGBY

The men's rugby team experienced some growing pains this season, but were still good enough to qualify for the playoffs in the QURL's men's division. The team brought together a solid nucleus of players this season and they should be a much improved team next year.

Concordia started the season off slowly but seemed to get on track in the second half of their eight-game schedule. They would finish the regular season at 2-5-1 and drew the Bishop's Gaiters as a semi-final opponent. Bishop's, by far the best team in the league, beat the Stingers and went on to win the league championship, but Concordia did well to come back and down the Université de Sherbrooke 7-5 in the consolation final.

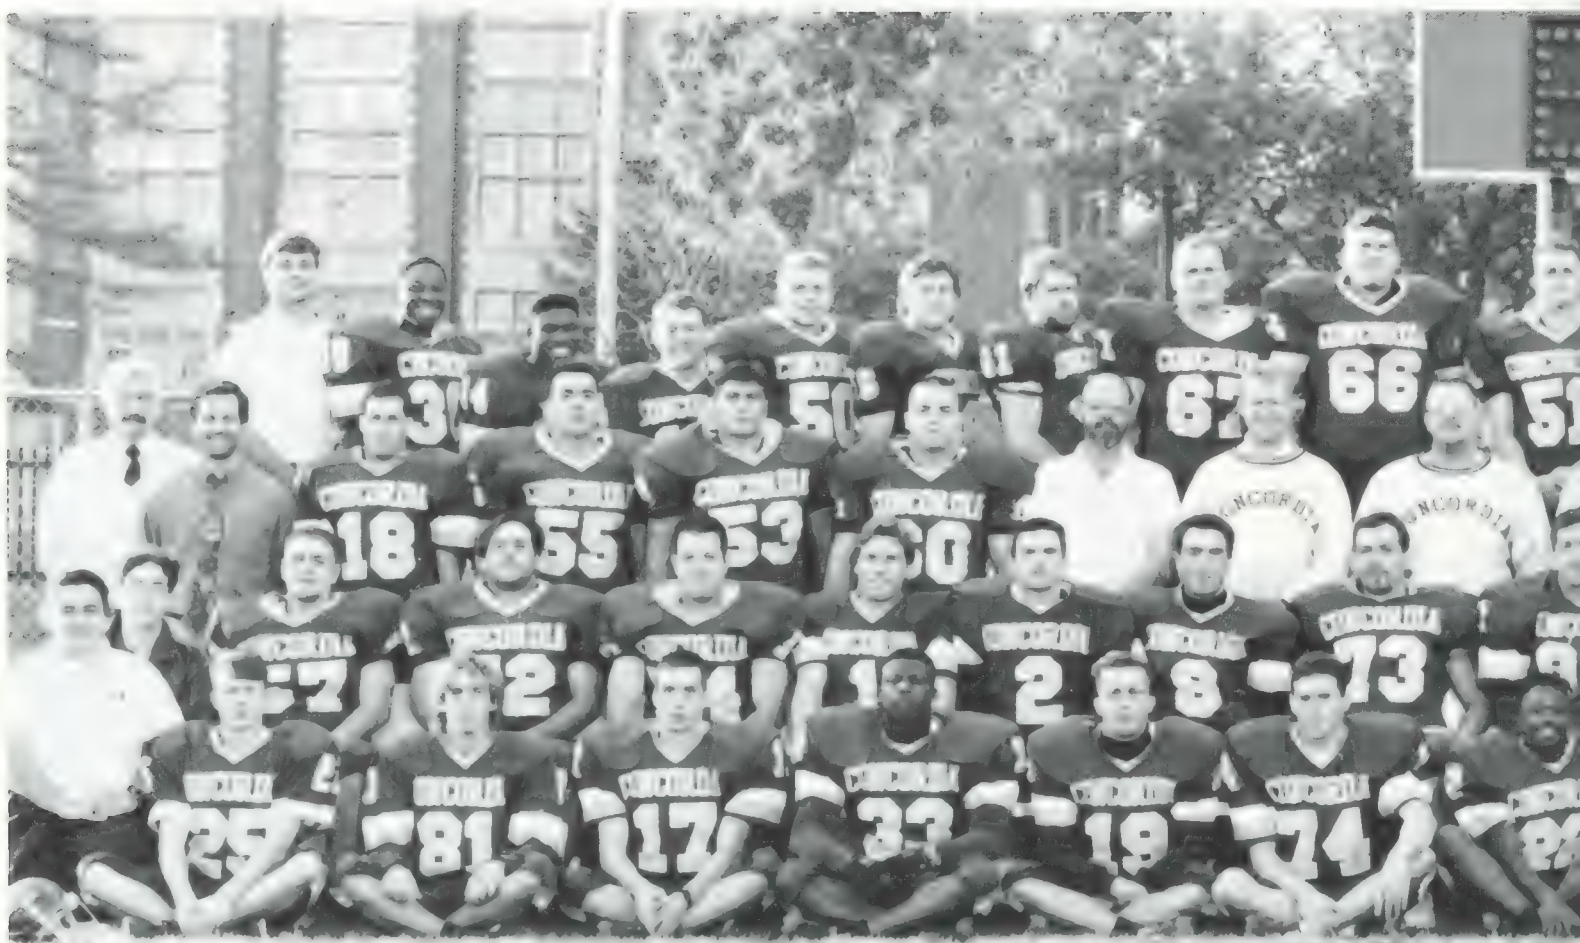

Anthony Clark was the only Stinger who was named to the 11-player QURL all-star team.

Team list: Jacques Ambroise, Alexander Benitah, Anthony Clark, Paul Cressaty, Mark Daris, Luke Dixon, Richard Dugas, Mathieu Garston, J.W. Glatzmayer, Andrew Godfroy, Brett Hansen, Martin Lampron, Keith Macdonald, Roman McNamara, Richard Mintz, Stephen Peacock, Mervin Thompson, Pat Vincentine, Michael McCracken, Andrew Stoker, Chris Charette, Cameron Stevens, Rob Thorpe, Mitchell Altro, Chris Hatcher, Ryan Kennedy, Pascal Tremblay Louis Nikolopoulos, Stanley Hum, Gregory Dyson

Concordia's football team, picked by some pundits to finish no better than fifth in their league, finished second in the Ontario-Quebec Interuniversity Football Conference with a 4-3 record. They then went on to defeat the McGill Redmen and the Bishop's Gaiters in the playoffs to win their second Dunsmore Cup ever and their first since 1982.

The Stingers advanced to the Churchill Bowl, the National semi-final, before bowing out to the eventual Vanier Cup champs, the University of Toronto Varsity Blues 26-16.

Several Stingers achieved personal goals as well. Defensive end Paul Chesser, in his final year with the team, was picked as a unanimous choice O-QIFC All-Star, was named as a First Team All-Canadian, and was the winner of the J.P. Metras Trophy as the outstanding lineman in the CIAU. Inside linebacker Luc Pelland, another O-QIFC All-Star, was selected as a Second Team All-Canadian, while safety Marc Fortier, inside receiver Mike Noble, and offensive guard Fred Marquette were chosen as O-QIFC All-Stars.

Back row, left to right: Robin Geaudreault (therapist), Kelly Rae Ryan, Martine Berube, Anne Rodrigue, Cammi Granato, Karyn Bye, Ginnie Brule, Nancy Deschamps, Lisa Devison, Carrie Barkley, Tracey Robinson, Elaine Bedard, Laura Leslie Front row: Lesley Jordan, Sue Cartman, Julie Healy, Laurie Cartman, Les Lawton, Tamara McKernan, Caroline Blanchet, Lisa Jordan, Mrie-Claude Roy Absent: Syylvie Gauvreau (therapist), Elizabeth Auclair (manager), Marie Doti (manager)

# HOCKEY

Our women's hockey team also had a great season. After starting off the season at 3-1, they rolled off 33 straight games without a loss, going 29-0-4 in that stretch. Included in that stretch, they won the Hockey East Tournament in Providence, Rhode Island for the first time ever, and they won their second straight Theresa Humes Invitational. They capped off their season with their fifth league title in the last six years.

Several members of the team achieved personal goals as well. Forward Martine Bérubé and defenseman Lisa Devison were named as Quebec Women's University Hockey League First Team all-stars, while goaltender Marie Claude Roy, defensemen Elaine Bedard, and

forward Karyn Bye were named to the QWUHL's Second Team.

Laura Leslie, who will graduate as Concordia's all-time leading scorer, was selected to the Canadian National team which will compete at the World Championships in Lake Placid from April 11-17. Bye and centre Cammi Granato, who joined the team after the Christmas break, will compete for the U.S. National team. Forwards Anne Rodrigue and Leslie, and Roy participated on the Quebec Provincial team at the Canadian Nationals along with assistant coach Julie Healy while head coach Les Lawton will be the coach of the National team at the World Championships in Lake Placid, N.Y.

The men's hockey team had their finest season to date under fourth-year head coach Yves Beaucage. Concordia finished third in what could arguably be called the toughest division in CIAU hockey with a 15-8-1 record which was good for 31 points. Only four teams finished with better records than the Stingers, and two of them, the University of Ottawa and the Université de Québec à Trois-Rivières, were in the same division!

Concordia made the playoffs by knocking off the McGill Redmen in the final game of the season but ran into a tough UQTR Patriotes team in the first round. They lost that game 6-1 but still should consider their season a success.

Defenseman Derek Potts, in his fourth and final year, capped off his career with a berth on the OUAA East First Team all-star list. Potts is the first Stinger since goaltender Bobby Desjardins in 1991 to make the First Team. And with many of their top scorers returning next season, Concordia will again challenge for one of the top spots in the OUAA.

Team list: Aaron Albright, Martin Balleux, Dale Betts, Mathieu Brunet, Andrew Chlebus, Aaron Croll, Pascal De Grandpre, Pierre Fillion, Eric Fournier, Richard Guindon, Jean-Christophe Honorez, Angelo Karitsiotis, Skip Langton, Bill Lees, Danick Lepine, Patrice Martineau, Seamus McGuire, Christopher Miller, Dan Mizrahi, Daniel Picard, Michael Pohorly, Derek Potts, Normand-Daniel Queenton, Eric Rochette, Stephen Salhany, James Smith, Dave Szabo, Benoit Therrien

Team list: Natalie Annett, Cassandra Bardo, Patricia Bondu, Reanna Brehmer, Catherine Chan, Eleanor Chan, Shelly Desouza, Toni Morgan, Nathalie Muller, Teresa Nobre, Anne S. Szili

# VOLLEYBALL

The women's volleyball team had a good season as well, although it doesn't show up in the numbers.

Playing in a division that had three teams ranked in the CIAU Top Ten, the team proved to be competitive despite facing some formidable foes. Although they finished the regular season with a mark of 3-13, they were consistently a thorn in the sides of their opposition and made every game and match tough. They gave eventual league champions, the Université de Montréal Carabins a run for their money in the league semi-finals before bowing out.

The Stingers had a great season outside of their league, taking third place at the McMaster and Queen's Invitationals, and finishing fourth at the Winnipeg and Ottawa Invitationals.

Cassandra Bardo, Concordia's Female Athlete of the Year last season, was named to the QSSF all-star team — the only Stinger to receive such distinction.

Concordia's Wrestling team, a power in the CIAU for the last decade, completed another successful season in a long line of great seasons. They finished tenth this year at the CIAU Nationals at Brock University, placing three wrestlers in the Top Five in their respective weight categories. Anthony Carelli was fifth in the 76 kilogram category, Jason Della Rocca was third in the 82-kg class, and Barry Poplaw was fifth at 90 kilograms. Coach Victor Zilberman has proven that he can still turn out talented wrestlers.

Our Track and Field team, which just got started last season, made considerable strides this year under new coach Suzan Ballmer. Ballmer, who took over in January, has taken a young team and produced some top quality athletes. Their first major meet of the season, which was at the Université de Montréal in early March, produced seven medals for the Stingers. One of the rising Stinger stars, Elfrida Taylor, finished the abbreviated season ranked fifth in Quebec in the 50-metre sprint. Although the team did not send any athletes to the Provincials this season, they are on the threshold of great things for many years to come.

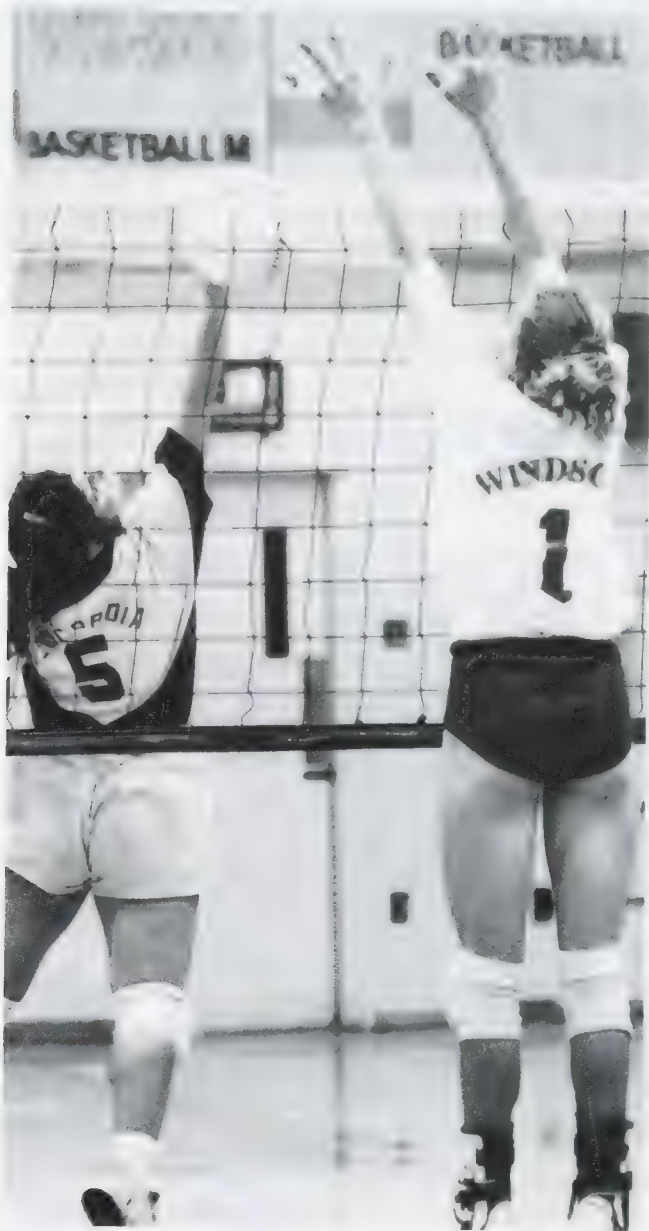

Team List: Marie-Sonia Albert, Christine Caron, Yasser Leheta, Derek Marinos, Maria Isabelle Noel, Lara Penno, Elfrida Taylor

# ATHLETIC AWARDS

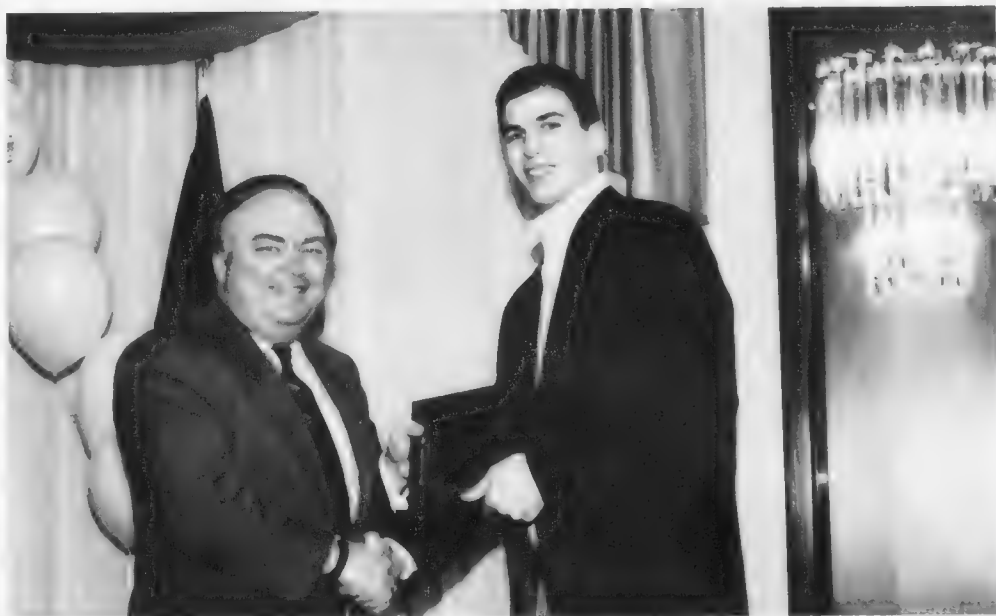

Laurie Broderick Award  
Female Rookie of the Year

**Eva Samore**  
Basketball

Eva came to Concordia after capping off her CEGEP career as a CCAA All-Canadian and she immediately contributed to the success of her team this season. She was a recipient of a QSSF Recruitment Bursary and contributed 7.3 points per game off the bench. She was a key figure as the Stingers advanced to the CIAU Nationals for the first time in years and will be earmarked for future stardom.

Male Rookie of the Year  
**Maxime Bouchard**  
Basketball

Maxime came to Concordia after a great career at CEGEP Montmorency where he was named as CCAA All-Canadian. An extremely exciting player, Bouchard racked up 15 points per game this season en route to being named as a QSSF First Team All-Star and the league's Rookie of the Year. His ability to score inside and outside helped the Stingers to their sixth consecutive trip to the Nationals, where Max established himself as one of the rising stars.

Dr. R.J. Broderick Award  
Male Athlete of the Year

**Paul Chesser**  
Football

Paul is a 5th year senior defensive lineman who enjoyed one of the best seasons in Stinger gridiron history. A unanimous choice, O-QIFC All-Star, he was second on the team in total tackles with 51.5 in seven games. Chesser was named as CIAU First Team All-Canadian and was the winner of the J.P. Metrsas Trophy as the Outstanding Lineman in the CIAU, the first Stinger football player to ever win a major post-season award.

Ron Lapointe Award

**Robert Ferguson**  
Basketball

Robert is a 5th year senior guard whose leadership and savvy helped the Stingers to their sixth consecutive league title and a spot in the CIAU Nationals. Acknowledged by some to be the heart and soul of this year's team, he was named as a QSSF First Team All-Star this season, and the league's Player of the Year. Ferguson averaged 12.2 points, 5 rebounds, and 5 assists this season, and those numbers were good enough to earn Robert a CIAU Second Team All-Canadian berth.

Denise Beaudet Award  
**Elfrida Taylor**  
Track and Field

Elfrida is a second-year sprinter with Concordia's fledgling Track and Field team and she distinguished herself very well this season. Taylor raced well enough to be ranked fifth in Quebec for the 50-metre sprint. Elfrida, who will be graduating this season, was also involved with several Concordia student organizations this year where she demonstrated strong leadership qualities.

Winners of the 1994 Athletic Awards

Absent is **Natascha Wesch** (rugby), who won Female Athlete of the Year. She has been a cornerstone of the women's rugby team over the last three seasons. From either the scrum or flyhalf positions, she has helped the Stingers to their second consecutive QURL title. A QURL All-Star this season, she was among her team's leading scorers and an inspiration to her teammates. Wesch is also a member of the Canadian National Team.

# CCSL AWARDS

The annual Concordia Council on Student Life Awards was held on April 11th in the Faculty Club on the Sir George Williams Campus. This was the 15th occasion of the awards presentation. Fourteen students and one staff member were presented with Outstanding Contribution, Merit, or Media Awards for having made a significant impact on student life in co-curricular activities. A highlight of this year's awards ceremony was the introduction of the awards for Teaching Excellence. This category was added this year to emphasize the importance to Concordia students of excellent teaching and the student/teacher relationship. Six professors were presented with Teaching Excellence Awards. Dr. Donald Boisvert remarked upon the role of CCSL and expressed thanks to the recipients for the part they have played in enhancing student life at Concordia.

An Ad Hoc Committee consisting of Prof. Bluma Litner (APSS), Vladimir Pavlicik (Recreation & Athletics), Michelle Bucovey (CUSA), Peter Stamadianos (GSA), and Brian Counihan (Dean of Students) were responsible for selecting the recipients from the nominations submitted.

## CHEERS! ... TO A LIFE-LONG ASSOCIATION

Your affiliation with Concordia University continues well after Convocation. In fact, graduation signifies that all-important time in one's life when the title of student is exchanged for that of alumnus/a and member of the Concordia University Alumni Association.

The Concordia University Alumni Association creates a link between you and your alma mater. It offers alumni the opportunity to participate in a variety of educational and cultural programmes, to socialize with other graduates, and to rekindle old friendships.

If you would like more information about the Concordia University Alumni Association, its activities, benefits and services, please contact us:

## **GOOD HEALTH CARE, SAFEGUARDED BY PEOPLE LIKE US.**

We are **Phoenix International Life Sciences Inc.**, based in Montreal, one of the fastest growing, most widely respected pharmaceutical contract research organizations in the world.

Phoenix is an organization run by scientists, providing essential services for the private sector and community at large, where the people of Montreal can become personally involved in the ongoing search for more effective drug treatments.

We comply with the strictest regulatory procedures, and adhere to the highest code of ethics, as ensured by an independent Institutional Review Board. Phoenix believes that quality must be "built in" as a result of conscientious attitudes, management philosophy and work-place methodology.

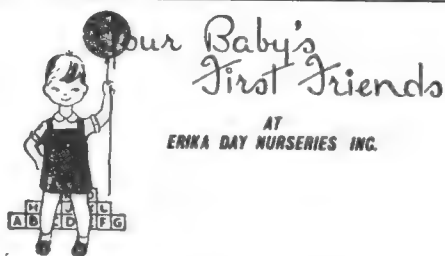

We have forged strong links with over 40 universities and medical centres throughout Quebec, Canada and North America.

Working with over 100 pharmaceutical companies worldwide, the Phoenix team has designed, conducted and reported studies on over 200 different drugs in almost every therapeutic category. We have generated over 1000 reports, publications and presentations.

Phoenix routinely recruits healthy male and female volunteers to participate in their clinical trials. If you would like to assist the research industry and earn some money or if you would simply like more information regarding our clinical trials, please contact us.

The list seems endless. In fact, a child's chances for a long and healthy life were once quite low. Thanks partly to progress in medicine, the odds have improved greatly.

And now, strengthened by the law encouraging pharmaceutical research in Canada, Merck Frosst will double its commitment to science. And more than double our chances of finding solutions.

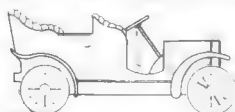

Saving and improving lives takes people, motivation, leadership, and ideas - and a firm conviction that the list can be shortened.

# CONGRATULATIONS, GRADUATES!

## HAPPY 20TH ANNIVERSARY, CONCORDIA!

As Concordia celebrates yet another milestone in its ongoing commitment to quality education in Quebec, its graduating students are celebrating a turning point in their own lives.

At TD Bank, we are proud of our long standing association with Concordia University. Over the years, many new grads from Concordia have turned to TD when it came time to choose a career. One of the deciding factors has been our commitment to hiring quality people, which clearly reflects Concordia's own sustained dedication to excellence.

To graduates and Concordia alike we wish every success in the future... and may our unique partnership continue well into the next century.

Your Bank. Your Way.

## When it comes to financial health, we've never felt better.

At MetLife, we're into serious financial fitness. With over \$1 trillion of life insurance in-force, we provide more life insurance protection than any other company in North America.

And, in fact, we have received some of the highest ratings from North America's premier bond rating agencies, including Standard & Poor's, Dominion Bond Rating Services, A.M. Best and Moody's Investor Services. Not bad for an insurance company that's over 120 years old.

So if you intend to purchase life insurance, annuities, RRSPs or any other financial services, count on MetLife.

Our slogan: "Get Met. It Pays" is no idle boast...it is our promise to be there for you — now and in the future. And it's backed by our clean bill of health.

Before you consider a policy with any other company, call your nearest MetLife office. We'll show you a fiscal examination that proves we're in great shape.

**GET MET. IT PAYS.**
